Vacation Express Adds More Flights to Cancun from New Orleans *Friday direct flights added for 6-night vacation packages*

ATLANTA, GA – March 14, 2017 –Vacation Express is happy to announce expanded service to Cancun from Louis Armstrong New Orleans International Airport. The additional direct flights begin Friday, May 19 and run weekly through June 16, 2017.

"We are excited that Vacation Express will provide additional service from New Orleans to Cancun this season," said Mark Reis, Interim Director for Louis Armstrong New Orleans International Airport. "These added flights will enhance the weekly, non-stop flight by giving more people the opportunity to enjoy this popular vacation destination."

The additional direct flights will supplement Vacation Express' nearly sold out non-stop flights departing between May 21 and July 30, 2017. This morning service to Cancun will include a quick stop in Tampa to pick up more excited travelers and still arrive in Cancun with plenty of time to enjoy the afternoon sun.

Vacation Express' roundtrip flights are operated by Swift Air, LLC. on Boeing 737-300 series aircraft. These value-packed flights enable travelers to sit back and relax while enjoying a complimentary non-alcoholic beverage and snack. Each traveler is permitted one free carry-on bag and the option to upgrade to a money-saving deal. Money-saving bundles start at only \$39 each way with the Preferred Plus upgrade which includes two complimentary alcoholic beverages, a snack box, roomy front-row seating and a free checked bag weighing up to 44lbs.

Travelers can purchase roundtrip airfare for as low as \$317* with all taxes included, but most prefer to bundle air with an all-inclusive resort starting at \$849* in Cancun and \$749* in Riviera Maya, with kids under 12 staying free at some resorts. † Packages to Cancun can be booked online at VACATIONEXPRESS.com, by calling 1-800-309-4717 or through a local travel agent.

About Louis Armstrong New Orleans International Airport:

Louis Armstrong New Orleans International Airport (MSY) is the primary commercial airport in the State of Louisiana serving over 80% of all passengers flying into the state. Armstrong International Airport is owned by the City of New Orleans. The New Orleans Aviation Board (NOAB), an unattached board of the City of New Orleans, oversees the administration, operation, and maintenance of Armstrong International. The Airport has 17 airlines providing service to 58 non-stop destinations, including seven international destinations. A new world-class terminal complex is currently being constructed. For more information, please visit www.flymsy.com.
