AIRPORT REPORT

NEW FLIGHT OPTIONS FOR THE HOLIDAY SEASON

By **Iftikhar Ahmad**, Director of Aviation

Starting this holiday season, travellers will have the option to fly non-stop to Little Rock, Arkansas, Memphis, Tennessee and Shreveport, Louisiana. GLO, a New Orleans owned and based public charter operator, will begin daily non-stop flights to each of these destinations starting November 15th. GLO offers a quality alternative to business and leisure travelers that had been relegated to multi-stop flights and long drive times to reach these destinations. GLO's flights will be operated by Corporate Flight Management, Inc. from Concourse B using a 30-passenger Saab 340B aircraft. Each city will be served twice daily Monday through Friday and once daily to each destination on weekends. Tickets are available at www.FlyGLO.com.

Additionally, Spirit Airlines will begin daily service to Las Vegas, Nevada, in November. With the addition of Las Vegas, Spirit will offer non-stop service to six destinations. The other non-stop destinations include – Chicago, Dallas, Detroit, Ft. Lauderdale and Houston. Spirit Airlines offers ultra-low fares and a range of optional services for a fee. This allows passengers to choose the travel options they prefer, such as checking bags, seat assignments, and refreshments. Spirit currently operates more than 375 daily flights to 57 destinations within the U.S., Latin America, and the Caribbean onboard a modern and fuel-efficient all-Airbus fleet. They operate from Concourse C at Armstrong International. To view all of Spirit Airlines' flight options from Louis Armstrong New Orleans International Airport and to purchase tickets, please visit www.Spirit.com.

Also in time for the busy holiday season, Delta Air Lines is adding additional frequency to Detroit, Michigan. Passengers will be able to choose between three daily non-stop flight

options. Operating from Concourse D, Delta is the second largest airline in terms of capacity at Armstrong International. They offer an extensive network of flights connecting our community to destinations around the world. To learn more, please visit www.Delta.com.

We also want the community to know that American Airlines and US Airways completed their final merger steps on October 17th. They are now operating under a single reservations system. Passengers will only see American Airlines signage as they visit Armstrong International, and all operations have been consolidated on Concourse C. For flight information and to book your next trip on American Airlines, go to www.aa.com.

As you make travel plans for this holiday season, the Airport has a total of 14 airlines that provide non-stop service to 49 destinations with connections throughout the world. So wherever your travels may take you, you can get there from Armstrong International. Please visit our website for airline information, parking information and helpful travel tips. ✈
