**NEWS RELEASE
FOR IMMEDIATE RELEASE:
January 28, 2015**

BRANSON AIREXPRESS OPERATED BY ORANGE AIR ANNOUNCES 3 NEW “LOW FARE” DESTINATIONS FROM NEW ORLEANS (MSY).

BRANSON (BKG), CANCUN (CUN), CINCINNATI (CVG)

NEW ORLEANS, LA (January 28, 2015) – Branson AirExpress operated by Orange Air announces discounted flights from New Orleans to Branson, MO (BKG), Cincinnati, OH (CVG), and Cancun, Mexico (CUN) starting May 6th. Flights will be in a 150 seat MD-83 Jet aircraft. One-way tickets, including all taxes and fees, can be purchased for:

City	Introductory Fare	Service Start Date
New Orleans – Branson (BKG)	\$99	May 6, 2015
New Orleans – Cincinnati (CVG)	\$99	May 6, 2015
New Orleans – Cancun (CUN)	\$199	May 7, 2015
*see fare rules below		

Discount flights to these three cities are available for purchase now at FlyBranson.com or BransonAirExpress.com.

“We are excited to offer affordable low fares to these markets from New Orleans,” said Miguel Ziadi, Executive Vice President for Orange Air. “We know our low prices, stretched seating in every row, and great customer service will add to the value that air travelers are looking for today. Now air travelers in New Orleans can afford to get to these wonderful destinations.

Orange Air will operate MD-83 Jet aircraft with comfortable stretched seating in every row at no additional cost. In addition, Orange Air offers non-alcoholic complimentary beverage and snack service on every flight.

“We look forward to welcoming Branson AirExpress operated by Orange Air to New Orleans,” Director of Aviation Iftikhar Ahmad said. “This flight will connect two very unique cities. With this flight, new non-stop destinations from New Orleans will rise to 45 routes which is a new record for us.”

Book flights today at BransonAirExpress.com or by calling 1-888-FLY-BKG1.

*Fare Rules: Flights are public charters on FlyBranson Travel dba Branson AirExpress operated by Orange Air. Advertised public charter fares are one-way, do not require a round trip purchase, and include all taxes. These fares are capacity controlled and may not be available on all seats on all flights. The quoted charter price includes charter air transportation for the Charter Flight booked through BransonAirExpress.com or through the toll free Reservations Department at 1-888-FLY-BKG1 (1-888-859-2541). Additional fees apply for checked baggage. Dates of the advertised flights are subject to change in accordance with regulatory requirements. See website for details.

About Branson AirExpress

Branson AirExpress has been offering discount flights from the Midwest region since 2009. The Charter Operator now has three Direct Air Carriers providing service to 8 destinations (7 from the Branson Airport). The Direct Air Carriers are: Elite Airways operating CRJ-200 (50 seat Jet aircraft), Buzz Airways operating Jetstream 41 (30 seat aircraft), and now Orange Air operating MD-83 (150 seat Jet aircraft).

About Orange Air

Orange Air is an Argus Platinum rated, FAA Part 121 Air Carrier with headquarters at Orlando/Sanford International Airport, in Sanford, Florida. Orange operates a fleet of MD-80 series aircraft in a comfortable configuration of 150 seats. We have a proven track record of successful worldwide charter operations, along with a reputation of delivering a high level of quality service to our customers. We are now bringing that level of expertise and experience to the scheduled charter market, both domestically and internationally. Our professional flight crew members look forward to, and take pride in serving you in the safest and most comfortable manner possible and look forward to Welcoming You Aboard.

About New Orleans Airport

Louis Armstrong New Orleans International Airport (MSY) is the primary commercial airport in the state of Louisiana with over 80% of the state's enplanements. MSY is owned by the City of New Orleans and is overseen by the New Orleans Aviation Board, an unattached board under the executive branch of the New Orleans City Government. With the announcement by Branson AirExpress operated by Orange Air, the Airport now has 13 airlines providing service to 45 non-stop destinations, including three international destinations. A new world-class terminal complex is currently in the final design phase. The new North Terminal will be complete by May 2018. For more information, please visit www.flyMSY.com.
