

## **Armstrong International Airport Gains Flights to Central America**

May 10, 2006 – New Orleans – Louis Armstrong New Orleans International will see the resumption of scheduled international air service with the announcement of weekly charter flights to Honduras.

Beginning June 3, 2006 and operating through August 5, 2006, International Charter and Tours (ICT) will have weekly non-stop flights from New Orleans to San Pedro Sula and continuing on to La Ceiba, Honduras. The flights will be operated on Saturdays only.

### **New Orleans to San Pedro Sula to La Ceiba**

Departs MSY 11:00 a.m. Arrives SAP 1:30 p.m. Arrives LCE 3:10 p.m.

### **San Pedro Sula to La Ceiba to New Orleans**

Departs SAP 2:30 p.m. Departs LCE 4:10 p.m. Arrives MSY 6:40 p.m.

The once weekly charter flight is being operated by International Charter and Tours. Mrs. Alina Fernandez, President of ICT stated, "The charter will help the Honduran Community maintain closer family ties but providing this non-stop link to San Pedro Sula and La Ceiba." Mario Zeron, former Owner and President of Destinations Inc. and Vice-President of ICT stated "Miami Air is a reputable charter company that offers modern and comfortable Boeing 737-800 aircraft." Roy Williams, Director of Aviation at Armstrong International Airport stated, "We are pleased to gain this new charter service that will reconnect New Orleans to Honduras during the prime summer travel months".

Anyone wishing to travel to San Pedro Sula or La Ceiba on this weekly charter flight can contact International Charter & Tours at 520 Transcontinental Drive, Metairie, LA 70001 or by phone at 504-889-0802.

For further information about ICT charters with Miami Air International, please contact Tony Diaz, ICT's Director of Sales, Marketing and Traffic at 504-889-0802.
