Keep an eye out for Zion when the 74th season of the NBA begins this October.

EMPLOYEE SPOTLIGHT

How long have you worked for NOAB?
I've worked here for a year now.

In your opinion, what does a healthy workplace environment consist of?
I believe a healthy workplace environment is safe, productive, and inclusive of regular team building activities that lead to a team-like mentality. If every individual staff member approaches the functions of the workplace as being a part of one large team, and takes ownership of the full platform, I believe the environment would continuously be molded into one that is productive and fun for everyone.

What are your summer plans?
**I plan to spend time with my family and stay cool!**

Do you have any advice for any of our new team members?
Never be afraid to ask questions. Everyone is generally pretty helpful and if someone doesn't know the answer, they can usually point you in the right direction.

What are some of your hidden talents?
I like to sing and I'm an okay dancer, I guess!
